EV 15 / 1 .45 CALIBER LIVE ROUND WITH COCAINE RESIDUE (RECOVERED FROM THE CENTER CONSOLE OF THE 1992 PONTIAC GRAND-AM BY DEPUTY ADRAGNA)

EVIDENCE HELD FROM [redacted]

EV 16 / U.S. CURRENCY TOTALING APPROXIMATELY $6,500.00 (RECOVERED FROM THE MASTER BEDROOM BY DEPUTY ADRAGNA)

EV 17 / PLASTIC BAGGIE CONTAINING A GREEN LEAFY SUBSTANCE RESEMBLING MARIJUANA (RECOVERED FROM THE HEADBOARD IN THE MASTER BEDROOM BY DEPUTY ADRAGNA)

EV 18 / APPROXIMATELY 126 LIVE ROUNDS, .45 CALIBER, 9MM, (RECOVERED ON THE HEADBOARD IN THE MASTER BEDROOM BY DEPUTY ADRAGNA)

EV 19 / 1 PAGER "D.C.E." (RECOVERED BY DEPUTY ADRAGNA)

EV 20 / 1 CELLULAR TELEPHONE "MITSUBISHI" SERIAL #90023325 (RECOVERED IN THE MASTER BEDROOM BY DEPUTY ADRAGNA)

EV 21 / 1 HOLSTER, SHOULDER TYPE, "SIDEKICK" (RECOVERED IN THE MASTER BEDROOM CLOSET BY DEPUTY ADRAGNA)

EV 22 / MISCELLANEOUS PAPERS, CREDIT CARDS, AND BROWN WALLET CONTAINING CREDIT CARDS IN THE NAME OF DAVID AND LADORIS RAVIZEE (RECOVERED IN THE MASTER BEDROOM BY DEPUTY ADRAGNA)

On 09-23-92, at approximately 1325 hours, I, along with the Antelope Valley Narcotics Crew, went to [redacted] 11th Street West, Lancaster, to serve a search warrant signed by the Honorable Judge Ian Grant. I approached the front door of the location, while dressed in plain clothes, and knocked on the door. The rest of the narcotics crew were positioned west of the garage dressed in Sheriff's raid gear. After receiving no response I again knocked on the door. A voice from inside the location asked, "Who is it?", I replied, "Tony". After a short period of time I again knocked on the door and stated that it was the Sheriff's Department with a search warrant and demanded entry. I immediately heard running foot steps from the front room towards the rear of the location. Fearing that persons inside were possibly going to arm themselves or destroy contraband Deputy Moore approached the front door and forced entry. Deputy Hager and Sgt. Hathaway encountered Suspect D. Ravizee in the front room of the location. Suspect D. Ravizee was blocking the doorway into the hallway portion of the house. Suspect D. Ravizee was extremely hostile, demanding to know what our purpose was and stated that he was doing nothing wrong. Deputy Hager and Sgt. Hathaway stated repeatedly that they were Deputy Sheriff's with a search warrant and ordered him to lie down on the floor. The suspect was still extremely argumentative and not complying with the deputies orders. Suspect Ravizee would go down to one knee and then get up again occasionally glancing over his shoulder in the direction of the hallway. Deputy Hager pushed Suspect Ravizee to the floor with his hands. Suspect Ravizee was making an obvious attempt to delay them from further access to the house by blocking the doorway and checking on other occupants in the rear of the house by glancing over his shoulder. Deputy Hager continued on into the rear of the location, followed by Sgt. Hathaway. The suspect again got up from the floor and confronted

Deputy Moore, who had entered the location. Deputy Moore again ordered the suspect to the floor at which time he (Deputy Moore) pushed the suspect back to the floor with his foot on the suspects left back area. At this time I took control of Suspect Ravizee and was approached by Suspect Wallace who came from the kitchen area. I ordered Suspect Wallace to lay on the floor, at which time he complied. Deputy Hager entered the rear family room and was confronted by Suspect Forch, at which time Deputy Hager, fearing for his safety, fired his service weapon, striking Suspect Forch (see supplemental report by Homicide).

All three suspects were detained inside the location pending the arrival of Sheriff's Homicide and emergency equipment and personnel. Suspect Forch was treated at the scene by paramedics, Engine Company #33, Squad #33, and transported to Antelope Valley Hospital.

While waiting for the emergency equipment to arrive Suspect D. Ravizee was extremely hostile, stating that he was afraid we were going to injury him in some way and plant drugs on his person. He further said that he had arrived in a 1992 Pontiac rental car and was just there cutting hair and was not involved or aware of any narcotic activity at the location. I explained to Suspect D. Ravizee that there was a plate on the coffee table containing cocaine (EV 1) in the room we were in. He replied, "Well there isn't enough on there to put a case on me". I asked him where he lived and he was unable to provide the street numbers to his residence. He was very evasive as to the exact location of his home. I asked him if he was currently employed and he said that he worked for a welding company and did odd jobs. He later said that he had really not worked in several months. Suspect D. Ravizee, during our conversation, appeared to be very tired and on the nod. I asked him if he was on any medication or under the influence of any narcotics. He said he was not under any medication and not on narcotics. He refused, however, to submit to a urine test when I asked him if he would do so.

I then began to question Suspect Wallace about the other two suspects being in the location. Suspect Wallace stated that he occasionally lets people come to his house and they do what they want, including smoke a little dope, however, this time it got a little out of hand. At this time Suspect D. Ravizee interrupted our conversation and told Suspect Wallace to shut up and get a lawyer.

I obtained a set of car keys for the 1992 Pontiac Grand-Am from Suspect D. Ravizee and counted approximately $200.00 in $20.00 increments. Both suspects were transported to Antelope Valley Sheriff's Station.

We conducted a systematic search of the above location and recovered the above described evidence. While gathering evidence I observed a trail of black hair, which lead from the front room area into the bathroom, where the baggie of cocaine (EV 10) was recovered. In recovering the baggie of cocaine it appeared to me that it had been hastily placed in the cupboard. The hair trail then lead from the bathroom to the rear family room where Suspect Forch was detained by Deputy Hager. I also observed that the towel which contained the .45 caliber weapon had particles of black hair on it. The .45 caliber weapon was recovered from the rear family room approximately three to four feet east of the sliding glass entry door wrapped in the white towel. In the front room I observed a chair where it appeared that Suspect D. Ravizee had been giving Suspect Forch a haircut, as evidenced by a large amount of hair on the floor, hair clippers which were still on and suspect D. Ravizee's statement that he was cutting hair. I also observed when Suspect Forch was being taken to the hospital that his hair had been recently cut on one side. I recovered a 22 cal. revolver (EV #6) from under the couch on the west wall approximately two feet from the "barbers chair".

We determined that Suspect D. Ravizee had recently rented a motel room, in the Lancaster area, and located his exact address of [redacted], [redacted]. Deputy Moore secured a search warrant for the motel location at 44927 Sierra Highway, Room #11, Lancaster, the 1992 Pontiac Grand-Am, which was parked in front of [redacted] N. 11th Street West, Lancaster (see attached search warrant). A subsequent search of the motel room met with negative results. A search of the Pontiac was conducted and a small amount of rock cocaine was recovered from the passenger seat and a .45 caliber live round, matching the rounds recovered from the 11th Street address and the Picadilly address, was recovered from the center console.

Deputies Russell Bailey and Carl Thomas conducted a surveillance at [redacted], [redacted], and observed Suspect L. Ravizee (Suspect D. Ravizee's wife) leave the location in a late model Bronco. Deputies Bailey and Thomas detained Suspect L. Ravizee, a short distance away from the location, and explained to her that a search warrant had been secured for her home. She accompanied the deputies back to the residence on Picadilly Court, at which time they entered the location.

We conducted a systematic search of [redacted], [redacted], and recovered the above described evidence. While searching the location I questioned Suspect L. Ravizee as to the source of the approximately $6,500.00 recovered in the bedroom. She said that she thought that there was less than $1,000.00 and was unaware of the large amount of money. I also asked her why she was in possession of a pager and she said that it was so her

husband (Suspect D. Ravizee) can contact her. I asker her if she was aware that her husband was driving a rental car. She said that she had rented the car for him on 09/22/92. I then asked her why she rented the car when they already had two other cars. She was unable to provided an answer. Based on the following: 1) a large amount of cash was recovered; 2) a pager and mobile telephone; 3) .45 caliber rounds matching the 45 cal. rounds recovered from the 11th Street location; and 4) both Suspect L. Ravizee and D. Ravizee being unemployed, it is my opinion that all four suspects had conspired to sell cocaine.

Mr. Barmore responded to [redacted], [redacted], and took control of the house and the two small children of Suspects L. and D. Ravizee.

While at Antelope Valley Sheriff's Station I remembered that I had inadvertently left two towels at the 11th Street location. I contacted Suspect Wallace and obtained a consent search form and returned to the location. I recovered the two towels and a hair sample from the front room and gave them to Sgt. Royer from Homicide.

While obtaining the consent search from Suspect Wallace I asked him where the clip for the .45 caliber weapon was. He stated that earlier that day Suspect Ravizee and Suspect Forch had lost the clip in a field in the Antelope Valley area.

The facts of this case will be presented to the District Attorney's Office for filing. Further supplemental reports to follow.

EV #9 ENVELOPE CONTAINING ONE BERETTA SERIAL NUMBER BER[redacted] DEPARTMENTAL WEAPON ISSUED TO DEPUTY DARREN HAGER, TAKEN TO LAB FOR TEST FIRING (LAB RECEIPT NUMBER H5211421)

****

On September 23, 1992 at 1330 hours Investigators were detailed to respond to [redacted] N. 11th Street West in the City of Lancaster, to investigate a Deputy Involved Shooting.

Investigators contacted Sergeant Hathaway at the scene who relayed the following. At approximately 1300 hours the Antelope Valley Sheriff's Station Narcotic Crew responded to the location in order to serve a search warrant. When they entered the residence two persons were detained in the front room. Deputy Hager and himself proceeded through the house to clear it for everyone's safety. Deputy Hager went to the back room (Den) were he was confronted by and subsequently shot suspect #1.

Paramedics responded to the scene, treated and transported suspect #1 to Antelope Valley Community Hospital. Suspects #2 and #3 were transported to Antelope Valley Sheriff's Station to be interviewed, as well as Deputy Hager.

Investigators M. Bice and I. Reyes were also detailed to the location and took charge of the scene. Refer to their supplemental report for detailed information of the location and evidence retrieved.

Investigators responded to Antelope Valley Sheriff's Station to interview the suspects and witnesses. All of the following listed persons were tape recorded at the time of their interviews. The tape recordings will be transcribed and become a permanent part of this file.

1. Suspect #2, Dave Windell Ravizee
2. Suspect #3, Jimmy Wayne Wallace
3. Deputy Danny Eldon Coon #[redacted]
4. Deputy Jeff Monroe Moore #[redacted]
5. Deputy Kevin Richard Cambra #[redacted]

6. Deputy Anthony Adragna Jr. #[redacted]

7. Sergeant Harvey Thomas Hathaway #[redacted]

8. Deputy Darren Keith Hager #[redacted]

After interviewing Suspect #3, Investigators went to Antelope Valley Hospital to interview Suspect #1. Suspect #1 was under medication and asleep, therefore investigators were unable to speak with him.

Deputy Yoshina was standing guard of the suspect at the hospital. Deputy Yoshina said Doctor Auerbach advised him that the suspect sustained a bullet wound to the back of his right shoulder. The bullet had travelled and lodged itself left of the suspect's right nipple.

Investigators responded back to the Sheriff's Station and proceeded to interview the above listed Deputies.

At 2125 hours after interviewing Deputy Hager, Investigators examined his Departmental issued Berreta 9mm semi-automatic handgun. The weapon had the safety off as well as the hammer. It is a Model 92F Serial number BER[redacted]. Their was one (1) live departmental issued 9mm round in the chamber and fourteen (14) live departmental issued 9mm rounds in the clip.

Deputy Hager stated that after the shooting he holstered the weapon and had not handled it since. Investigators took possession of the weapon and transported it to the Crime Lab, firearms section to be test fired.

Investigators were advised of Evidence #1-#6 which were removed from the residence. Refer to the attached supplemental reports submitted by Investigators Bice, Reyes and Adragna for further details.

This case is to remain active pending further investigation.
